

Rostrum Club 10 Report – 2019

Our Rostrum Club 10 Rostrum Tradition:

Friendship, learning and succession.

Executive Summary - Rostrum Club 10's 2019 story

Our journey continues from 1952 (67 years ago). Come and visit us on Thursdays at 1.10pm at the ground floor auditorium, BCC Library, George Street, Brisbane City, out by 1.50pm.

Our focus is sustaining Club 10 membership through building fellowship and good coaching. Rostrum Club 10 is financial and contributes financial and in-kind support for Queensland Rostrum through membership of QRMC (4 members), supporting RVoY, guest coaching, adjudication and attendance at significant events at other Rostrum Clubs (Club 3's 75th anniversary) and attending the end of year Rostrum Conference (7 members in 2019).

Club 10 inducted 5 new members in 2019. Our Rostrum Club is healthy, exemplified by the election of two (2) new members on the Club 10 Committee (Siska and Bin).

Our approach in 2019 has developed confidence in our new members to compete in Competitions, join the 2020 Club 10 Committee and encouraged 4 members to join the 2020 QRMC. Our coaches were re-accredited and have in place the basis for encouraging Trainee Coaches. Siska competed in the Brisbane Heats for Frank Smith Competition.

Our Rostrum Club includes members with English as a second language.

Our program is varied and includes training, impromptu and promoting debating capability. As at 31 December 2019 we are 16 members.
